

Education Abroad

Each year, over 800 Villanova students study overseas for a summer, a semester, or a year to add an international dimension to their academic career. Villanova offers students a wide variety of programs and locations around the world. All majors can study abroad for a semester, though planning early is important, especially for Engineering, Nursing, and Science students. The Office of Education Abroad helps students identify opportunities and facilitates the process of enrollment in overseas programs.

For more information, visit our website <https://www1.villanova.edu/content/villanova/provost/abroad.html>, email abroad@villanova.edu or call the main office at 610-519-6412.
