

Declaration of Major for Returning Students

Those students who are coming back to Villanova with less than 48 credits remaining must declare their major prior to being admitted. Admissions will send them the [Declaration of Major Form for Former Villanova Students](#). Once the student fills it out, it is approved by CPS advisor, then sent to Assistant Director, Student Support Services for submission to the Registrar. Once the new major is applied, notification is sent to CPS advisor, the student, and CPS Admissions.
