Public Service & Administration Major (BA)

Chair: Theodoros Arapis, Ph.D. Office Location: Gary Hall, G43 Telephone: 610-519-3934 Website

The major in Public Service and Administration (PSA) in the College of Liberal Arts and Sciences (CLAS) provides undergraduate students with an interdisciplinary course of study to: (1) reflect on the long tradition of public service both in the United States and abroad; (2) engage critically with the scholarly literature in the field; (3) examine historical and modern-day examples of public service leadership; and (4) equip them with the relevant competencies and skills to lead and serve as ethical, intelligent, inclusive, and creative leaders in public service organizations, from nonprofit organizations, to local, state, and federal government, to the private sector.

Program: Public Administration **Type:** Bachelor of Arts

PRIMARY MAJOR (122 credits)

Required Major Courses (30 Credits)

All students majoring in PSA would be required to take the seven (7) courses listed below and at least one (1) elective PSA course.

Program Notes:

- This major is the BA in CLAS. For the BIS see degree page entitled: 'Public Service & Administration Major (BIS)'.
- Students would be permitted to count six (6) credits from already-approved courses in other departments towards the PSA major
- CPS students currently enrolled in the PSA major will complete the existing curriculum, but new CPS students enrolled in Fall 2022 will complete the new curriculum.
- CLAS students completing the PSA major will not be permitted to enroll in Fast Forward sections offered by CPS (unless they have been given special permission), but the CLAS students may take online PSA summer courses offered by CPS.

Title	Credits
Public Administration	3
Public Policy	3
Public Budgeting	3
Organizational Development	3
Research Methods in Public Svc	3
Vocation of Public Service	3
PSA Internship	3
Public Service Electives	9
	Public Administration Public Policy Public Budgeting Organizational Development Research Methods in Public Svc Vocation of Public Service PSA Internship

Core Curriculum Requirements (44 credits)

Course	Title	Credits
ACS 1000	Ancients	3
ACS 1001	Moderns	3
THL 1000	Faith, Reason, and Culture	3
PHI 1000	Knowledge, Reality, Self	3
ETH 2050	The Good Life:Eth & Cont Prob	3
	Mathematics or Statistics (1 course)	3
	Natural Science (2 courses with laboratory)	8
	Literature and Writing Seminar (1 course)	3
	History (1 course)	3
	Social Sciences (2 courses)	6
	Fine Arts (1 course)	3
	Upper-Level Theology (1 course)	3
	Language Requirement	
	Diversity Requirement (2 courses)	

Free Elective Requirement (48 credits)

Students with a Public Service & Administration (BA) primary major have forty-eight (48) required free elective credits.

Degree Credit Summary

- Major Credits: 30 credits
- Core Credits: 44 credits
- Free Electives Credits: 48 credits
- Total Required Credits: 122 Credits

Note: The above credit totals are based on the minimum number of required credits in each degree area. The minimum number of required credits in each area listed above must be met. Credits taken beyond the required minimum for one area may not be applied to another area.

SECONDARY MAJOR

Students who declare Public Service & Administration (BA) as a **secondary major** must complete the Required Major Courses to achieve this major. Students are able to count any eligible course taken in their primary major, the core curriculum, minors, concentrations, or free electives toward these requirements.

Category Descriptions

Public Service Electives

Credits: 9

Students must take three electives worth 3cr each from the list below. At least one course must come from section A.

Section A

3 of these 9 credits must be taken in PSA.

Course	Title	Credits
PA 2100	City and Suburb	3
PA 3000	Overview of Non-Profit Sector	3
PA 5000	Special Topics	3
PA 5100	Independent Study	3

Section B

Students are permitted to count six credits from this list of already-approved courses in other departments towards the PSA Major.

Natural Science (2 courses with laboratory)

Credits: 8

Non-science majors meet the Core Curriculum Natural Science requirement by taking two semesters of Mendel Science Experience (MSE), thematically-based lecture/laboratory courses designed for non-science majors; or two semesters of lecture/laboratory courses designed for science majors.

Science (AST, BIO, BIOC, CHM, CBN, CSC, ENV, MAT, PHY - B.S. only, PSY - B.S. only) majors meet the science requirement through the regular program of study in their major.
