MINOR: Disability & Deaf Studies (17 credits)

Students enrolled in the Disability and Deaf Studies Minor must complete 17 credit hours across one of two tracks: Disability Studies Track or Deaf Studies Track. All students will take two foundational 1 credit courses: EDU 3100: Disability and Deaf Studies Seminar and COM 5300: IGR (Ability). Students enrolled in the Disability Studies Track will complete two required courses and select from three additional elective courses. Students enrolled in the Deaf Studies Track will complete three required courses and choose from two additional elective courses.

- Courses that fulfill minor requirements may be used to fulfill other requirements (i.e., primary major, core curriculum, minors, concentrations, or free electives).

Foundation Courses

All students must complete these two foundation courses for the minor.
