

# Course Withdrawal

Engineering student requests for authorized withdrawal from a course without penalty (WX) will be granted until approximately three-and-a-half weeks after midterm break. ([View the Academic Calendar](#) for official date.)

Any student wishing to withdraw (WX) during the appropriate time period, is personally responsible for completing the Course Withdrawal Form. The form can be found on the [Current Engineering Undergraduate Students Intranet site](#).

Note that withdrawals without permission will receive a "W" grade, which is calculated as an "F" in computing one's Grade Point Average.
