

Course Withdrawal

Engineering student requests for authorized withdrawal from a course without penalty (WX) will be granted until approximately three-and-a-half weeks after midterm break. ([View the Academic Calendar](#) for official date.)

Any student wishing to withdraw (WX) during the appropriate time period, must complete the Course Withdrawal Form. [The form can be found on the Current Engineering Undergraduate Students Intranet site.](#)

Withdrawals without permission, or withdrawals after the WX deadline date, will receive a "W" grade, which is calculated as an "F" in computing one's Grade Point Average.
