

Visiting Student Admission

Students who are currently enrolled in another college or university can apply and be considered based on individual circumstances and with an official letter from their home institution. The letter must state that they are in good academic and disciplinary standing and the credits earned at Villanova can be transferred to the home institution. Students are admitted for one semester only. Academic advisement and the transferability of a Villanova summer course to the visiting student's college/degree program is the responsibility of the student.
