About

Our current economic and social realities require a dynamic education. Italian Studies provides students with the analytic and creative thinking skills to engage a multimedia world of fraught complexities and exciting opportunities. Students develop advanced fluency in Italian and are exposed to all aspects of Italian culture—literature, visual art, film, music, etc. They gain perspective by studying one of the world’s most influential cultures, which is at the crossroads of the world’s eastern and western hemispheres.

Program: Italian
Type: Minor

MINOR (15 credits)

A minor is open to all students and requires 5 Italian courses.

Program Notes:

• Once a sequence of courses has begun, a student may not revert to a lower-level course.
• Five classes at ITA 1131 level or above will fulfill the minor requirement.
• Majors and minors can earn up to six of their credits by studying in Italy through the affiliated programs in Perugia, Rome, and Milan.
• Students may, but do not have to, take one course in English with an ITA or RLL attribute.
